St. Ann's Academy (SAA) is pleased to announce the appointment of Ms. Patricia (Pat) Moore as Assistant Principal, effective February 5, 2019. She will provide daily support to Sister Dolores Ann Stein who, together with the full Board of Directors, provides oversight and decision-making in all matters of academics and student care. Mr. Mark Morrisey's role as On-Site Administrator remains unchanged.

Ms. Moore is highly credentialed, with New York State permanent certification as School District Administrator as well as permanent teacher certification.

Since 2012, St. Ann's Academy has strived to abide by their vision of managing resources well so a quality education is affordable to all families in the area who want their children to have a faith-based education that can provide a sound emotional and spiritual foundation for life. The non-profit, PreK - 6 academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school.

Sister Dolores Ann, of the Sisters of Mercy in Rochester, stated "The appointment of Pat Moore strengthens the foundation of St. Ann's Academy to ensure that a Catholic education is available in the Hornell area well into the future, so that children can learn in an environment that enables them to become well-grounded spiritually and exceptional academically. I am thrilled with the decision and look forward to working with her to further improve our programs."
