Governance

- St. Ann's Academy (SAA) is an autonomous educational corporation operating under a provisional charter issued by New York State Education Department January 2013.
- All policies are determined solely by the SAA Board of Directors. SAA has received no financial support from the Catholic Church and is not under the authority of the Diocesan Office of Catholic Schools.
- Members of the Board do not receive any compensation for their service.
- SAA teaches Catholic doctrine and incorporates fundamental Christian values in its curriculum. While it welcomes families of all faiths, parents' respect and support of SAA's mission is implicit in the enrollment process.
- SAA does *not* have a full time Principal. Sister Dolores Ann Stein, a former full time Principal at St. Ann's School, serves on the Board in a volunteer, part-time capacity but the administration of the school is carried out by the Board as a whole. Sister's role is to provide guidance on curriculum, religious instruction, policy, staffing and other matters with which she has accumulated experience.
- Communication between the Board and teachers is facilitated by a representative of the Board, currently Laura Picco.
- The Board has the following non-discrimination policy: *St. Ann's Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.*
