## Our Vision:

St. Ann's Academy inspires achievement and instills faith in its students and others who support its mission.

We manage our resources well so a quality education is affordable to all families in the area who want their children to have a faith-based education that can provide a sound emotional and spiritual foundation for life.

## Mission:

St. Ann's Academy exists to provide a Catholic education in the Hornell area so that our children can learn in an environment that enables them to become well-grounded spiritually and exceptional academically.

*St. Ann's Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school.*
