SHOPAROO Reminder

Hassle-Free Fundraising

Turn your shopping receipts into donations for St. Ann's Academy. It's that simple.

Shoparoo is a free mobile app that turns shopping receipts into fundraising dollars for schools. Users shop normally and then simply take a picture of their receipt with Shoparoo for an instant donation to be made to their chosen school. It is an easy way to raise thousands of dollars.

We ask that you kindly consider joining us for this Hassle-Free Fundraising, which will benefit the families and students at St. Ann's Academy.

GO TO: **Shoparoo.com**

1. Just download the APP to your cell phone,
2. Choose St. Ann's Academy for your school choice, then
3. Take pictures of your grocery store receipts.

It is simple and only takes a few moments. Every Roo Point you receive will benefit the school, families and students! You will be amazed at how quickly the points add up. Donations we receive for St. Ann's Academy will help us keep the tuition and other expenses at a reasonable cost. The more we take in, the more we can do for the students and their families.

If you are one of the 82 already registered, we ask you make an effort to take pictures of your store receipts the day you receive them. That way, you won't forget. Let's do all we can to raise the number of active participants!

Thank you.

Shoparoo's Privacy Policy

All user data provided to brands is aggregated -- no personal or contact information will be shared. In fact, Shoparoo participants can choose to remain completely anonymous without even providing their name. In addition, users can always cross out any items or information on receipts such as credit card information, or simply choose to not submit a particular receipt.

Shoparoo rules:

Receipts are classified as Grocery Receipts or Non-Grocery Receipts depending on the retailer, not the items purchased. Qualifying Grocery Receipts earn Roo Points and qualifying Non-Grocery Receipts earn Sweepstakes Entries.

For a receipt to qualify for rewards, you must upload it within 14 days of the transaction time, and the uploaded images must contain the following in clear and unaltered form:

- Store Name
- List of Items Purchased with Prices
- Total Transaction Amount
- Transaction Date

Receipts with ambiguous store names, missing the purchased items entirely, or receipts that are cut off/too faded in any of those 4 areas may not be rewarded.

Please submit real, unaltered receipts from shopping trips made by yourself or members of your household. The sharing of receipts or the submission of receipts that do not reflect your own household's shopping trips is prohibited according to our Terms and Conditions.

The following types of receipts are NOT rewarded:

- Electronic receipts (Amazon, eBay, etc.)
- Gas-only receipts
- Service-related Receipts (post office, hotels, hospitals etc.)
- Credit Card Slips
- Movie Ticket Stubs
- Hand-Written Receipts
- Return of Purchase Receipts
- Shipping Invoices

You can always tap the information button at the top of your Receipts tab in Shoparoo for a quick reference on which receipts count.
